

Press release

Expert.ai participates in the "Italian Day in Frankfurt" organized by Polytems Hir and Alantra Capital Markets

January 22, 2025

Expert.ai S.p.A. (the "**Company**"), leader in the implementation of enterprise artificial intelligence solutions to create business value, will participate on Thursday 23 January 2025 at the annual event "**Italian Day in Frankfurt**", organized by Polytems Hir, in collaboration with Alantra Capital Markets.

The "Italian Day in Frankfurt", now in its ninth edition, will take place at the Hotel Steigenberger Frankfurter Hof in Frankfurt and will see the participation of listed Italian companies of medium and small capitalization, examples of absolute excellence in their sector, who will have the opportunity to meet a selected audience of German institutional investors in one-to-one meetings or in small groups.

For the occasion, the Chairman and CEO Dario Pardi will present the Company's business, commenting on the economic and financial results achieved by the Group.

The institutional presentation will be made available on the day of the event on the Company's website www.expert.ai section "Investor Relations/Presentations" and on the Borsa Italiana website www.borsaitaliana.it section "Shares/Documents".

This press release is available on the Company's website www.expert.ai and on www.emarketstorage.com

Expert.ai is a company specialized in the implementation of enterprise artificial intelligence solutions to create business value, listed on the Euronext Growth Milan market (EXAI) and active in Europe and North America. By applying a proven innovation framework, expert.ai supports businesses and public administrations in their digital transformation, harnessing AI's potential across various processes and use case through a responsible, transparent, and sustainable approach that focuses on people, problems to solve, and goals to achieve. The company has over 25 years of experience in natural language solutions and has successfully implemented hundreds of projects by integrating the best available technologies in the market with its proprietary ones (knowledge graph, machine/deep learning techniques, large language models, and generative AI). Banks and financial institutions, insurance companies, publishing firms, and organizations in public administration, healthcare, defense, and intelligence sectors choose expert.ai's solutions to automate

knowledge on a large scale, effectively manage massive volumes of information, improve decision-making processes, and enable new levels of efficiency by leveraging the right data at the right time with great speed. The company's clients, either directly or through partners, include AXA XL, Zurich Insurance Group, Generali, Sanofi, EBSCO, The Associated Press, Bloomberg, INDG, Dow Jones, and other major players. Dario Pardi, who boasts decades of experience in prominent multinational ICT companies, is Chairman, CEO, and a key shareholder of expert.ai.
